Dear Sir,

Thank you for your assistance in deployment of the Force Protection Unit to the recent Mississippi State Fair, in Jackson, MS.

Without your support and financial resources our department would not have been as successful in providing a safe environment for the over 700,000 attendees to the 2011 MS. State Fair. I am pleased to report that for the duration of the twelve day event, our department received only three (3) minor calls for service.

On behalf of the Jackson Police Department and the City of Jackson, our utmost appreciation to the Department of Homeland Security, Force Protection Team for providing professional staffing in an efficient manner for an event of this magnitude.

Again, thank you and I look forward to working with you in the very near future.

Sincerely,
